Daley's Opens New Torrance Store; 2nd of Chain Here

Daley's is holding a grand open-
ing of its second Torrance store,
at Redondo Boulevard and Cota
avenue. The new store will be a
distinct addition to the Redondo
Boulevard shopping district, and is
a direct bearing out of a recent
decision of the big chain store
company management that this ter-
ritory is ripe for expansion.

The big chain, whose slogan is
"in partnership with the public,"
now has 180 stores in southern
California. The fact that two of
them have been placed in Torrance
is looked upon as a compliment on
the part of the Daley management
to the growth and development of
this district.

Many specials are being offered
at the new store for the grand
opening. Demonstrations of na-
tionally known products have been
arranged, and free samples and
shopping bags will be given.

Pastry specials from the big
Daley bakery, which is located on
the top floor of the modern Daley
warehouse at 751 Terminal, Los
Angeles, are outstanding among the
opening features. All of Daley's
breads and pastries are baked in
the big sanitary bakery.
